\$½m. Sewerage Contract Let

Today the Metropolitan Board of Works let a tender for half a million dollars sewerage reticulation contract for Altona properties bounded by Pier Street, Civic Parade, Grieve Parade and Railway Street.

Some ratepayers in this area have been patiently waiting 40 years for sewerage. The average age of houses in the area would be 25 years.

Letting of this contract follows a policy of the Board of Works that older areas be sewered first where possible. The works will take 12 months to complete.

Altona's representative on the Metropolitan Board of Works, Cr. Weaver, said today this was good news for Altona and another step closer to having all Altona sewered.

Cr. Weaver said he was disappointed in the Finance Committee of the Board inasmuch as they had invited tenders for another area but because both areas exceeded the amount set aside for Altona in 1969-70, estimates of \$876,000, the Board could only see its way clear to accept tenders for the \$619,325 section at this stage. He said Board finance is suffering through emergency commitments elsewhere.

Some details of the tender accepted are:—

■ Extension to the 24", 18" and 15" Altona main sewer — Civic Parade along Grieve Parade to Pier Street (30 ft. deep).

■ A 12" branch main at David Street.

■ 12", 9" and 6" reticulation to areas bounded by Pier Street, Civic Parade, Grieve Parade and Railway Street.

■ When this area is completed, approximately one-third of Altona and approximately two-thirds of Altona North will have sewerage reticulation.

SUBDIVISION PLAN TO ALTONA COUNCIL

Altona Council has referred to its general purposes committee a plan to subdivide 192 acres of land in Kororoit Creek Road, south of the railway line, into two allotments — one of 30 acres, the other of 162 acres.

The plan was submitted to Council by Messrs. Cullivan & Sim, surveyors, for Seaholme Housing Estates.

At the last general purposes committee it was decided to refuse Seaholme Estates permission to rezone the land from "general industrial" to "residential."

At the committee meeting Mr. J. W. Waters, town clerk, said the land would provide about 1,000 house sites.

Cr. H. Weaver said at last week's Council meeting he opposed the subdivision of the land into two lots.

"I believe the 30-acre lot is in between a current problem area and a housing area at the back of Charles Road," said Cr. Weaver.

"We should look at this more closely before we agree."

Mr. Waters told Council that Mr. R. C. Simmons, the city engineer, recommended

that the plan to subdivide should be approved.

"There's no indication that this land is being chopped up for housing," said Cr. R. K. Richards. "We've already knocked that on the head."

"That's why we've got to be careful," said Cr. P. J. Lynch. "We must be careful that this is not used for more problem industries."

SYMPOSIUM

Mr. J. W. Waters, Altona's town clerk, will be chairman of the first National Symposium of the Institute of Municipal Administration, to be held in Canberra on May 20, 21 and 22.

Crs. R. K. Richards, W. L. J. Crofts, J. I. Stewart and P. J. Lynch will also attend the symposium, which will have the theme "The Expanding Community."

Altona Bus Depot Opening

Mr. E. V. Field, Chairman of the T.R.B. (RIGHT) congratulates Mr. C. J. Sitch on the opening of their new bus depot. Also present at the opening were Mr. Larry Floyd, M.L.A. (LEFT), Mr. Alec Knight, M.L.C. (TOP) with Altona's Mayor, Cr. Pat Burns just below him. On the right of the picture is Mr. Ken Grendo, B.P.A. President.

Last Tuesday the Chairman of the Transport Regulation Board, Mr. E. V. Field, opened a new bus depot in Slough Road for Altona Bus Lines and congratulated the Company on its progress.

The Mayor, Cr. P. Burns, extended a warm civic welcome to the 100 guests who attended the ceremony and commented on the fact that as Altona is becoming more heavily populated the bus service is keeping pace with it and giving excellent service.

The President of the Bus Proprietors Association, Mr. Ken Grendo, felt it was a good thing for the bus industry to have men like Mr. C. J. Sitch, who were prepared to provide modern depot facilities for bus services. As he pointed out this was now the third depot in the Sitch Group of Companies.

Seventeen buses are at present housed in this depot,

which will easily handle double that number. An employees car park is provided at the rear of the bus parking area. A well equipped workshop and service pit received much comment by the bus operators, who came from many parts of Victoria.

Messrs. L. Floyd, MLA, A. Knight, MLC, Altona Councillors and Council Staff were among the guests who enjoyed a buffet dinner.

NO HOUSES FOR PARK

Altona Council will not permit Altona Sports Park to be developed for residential purposes.

Councillors who discussed the proposal with Board of Works officials claimed that if Kororoit Creek was widened, as proposed by the developers, there would be a risk that residential areas of Altona would be flooded.

It was also considered that polluted water from Kororoit Creek would cause a nuisance if contained in the waterways proposed by the developers.

Bob Verity Makes State Team

Bob Verity, goalkeeper in the Altona Hockey Club A Grade team, has been selected to represent Victoria in the 1970 Interstate Carnival in Perth.

Report On Signs

Altona's city engineer, Mr. R. C. Simmons, will report on a recommendation that "No Standing Anytime" signs be placed on the south side of Queen Street, between the right of way and Bent Street.

Coast Guard Could Have Altona Base

Altona Council has agreed to meet representatives of the Australian Coast Guard Auxiliary to discuss an application to lease land adjoining the foreshore.

Mr. Peter Hosking, flotilla leader with the Auxiliary, told the Council the flotilla operating out of Parson's Marina, Williamstown, was seeking a radio, training and public instruction base within the Altona Bay area.

He also asked Council's permission to station a trailer unit near the Altona boat ramp for one week-end to publicise the Auxiliary's work.

Mr. J. W. Waters, town clerk, told Council that there was an average of 45 trailer units for boats parked at the Seaholme boat ramp each day over Easter.

"The popularity of boating in the area shows the need for Coast Guard training," said Mr. Waters.

He added that the Auxiliary was arranging an eight weeks' instruction course for Altona people interested in boating. The course would be held during May and June.

Cr. C. W. Carlsson told Council that the Auxiliary was a voluntary organisation, which had 20 boats available 24 hours a day to handle emergencies on the Bay.

Cr. W. L. J. Crofts opposed the Council's approval of the Auxiliary's application.

"I have no objections to the Coast Guard Auxiliary," he said, "but I am not convinced that we should agree in principal at this stage."

"I am not happy granting a lease of the foreshore."

He suggested that the Council's general purposes committee meet representatives of the Auxiliary to discuss proposals.

Cr. R. K. Richards agreed with Cr. Crofts.

"We should see what they want," he said. "I'm sure an amicable agreement can be reached."

ACCIDENTS CAUSE CONCERN

Mr. J. W. Waters, Altona's town clerk, will contact the police Accident Appreciation Squad in an attempt to have tests made to determine the cause of accidents in Millers Road.

Cr. W. H. Sommers asked if the angle of the median strip and the closeness of light poles at intersections were contributing to accidents.

Council will also ask that the speed limit on Millers Road between Kororoit Creek Road and Kim Reserve be reduced from 40 m.p.h. to 35 m.p.h., and that electric light poles be shifted back 15 feet from intersection openings in the median strip.

RESIDENT SAYS FORESHORE COULD BE THE BEST

Mr. Ken Harris, of 211 Esplanade, Altona, told Altona Council last week that he believed Altona could have one of the finest beaches and promenade areas in the bay, combined with ample car parking and perhaps a marina — if the council followed his suggestions.

"May I suggest that we take full advantage of the very heavy rock fill that is available from the Complex and many other projects in progress around the municipality and use this heavy filling to make a barrier along the outer sand bars," Mr. Harris suggested.

"Over a period of years this whole area right back to the Esplanade could be filled and covered with lawns, trees and car parking areas. This would give a magnificent promenade area. Provision could be made for a marina in this area when being filled, along with swimming facilities."

"During the past few months I have watched Council employees clean up tons of seaweed and deposit many more tons of filling between

the two piers in an effort to give the public a little bit of comfort and pleasure when visiting our beach.

"Unfortunately, most of the filling is washed away and another load of seaweed deposited with the next bit of a blow from the south or south-west."

"Consequently the area between the two piers is least used for swimming, not only because of the seaweed, but there are several areas of this section that have become muddy and stagnant, particularly at the Maidstone Street end of the beach."

"This is probably the result of sea grass growing for several years and then being covered by sand, resulting in the grass rotting with a layer of sand on top that the swim-

mer breaks through when walking out to the deeper water."

Cr. D. K. Grant moved that Council thank Mr. Harris for his interest, and advise him that the Council has placed \$10,000 on its estimates to investigate foreshore development and projects similar to that suggested.

No To Shops

Altona Council has refused to approve an application by Messrs. T. and S. Athanasiadis and A. and P. Temertzidiz to rezone Lot 295 Misten Avenue, Altona North, from residential to commercial.

Council also refused an application for approval to subdivide the lot into two shop sites.

Football Ground

Altona Council will prepare a three-year lease for Altona Central Football Club to use Langshaw Reserve.

The club has been asked to provide plans for a proposed stall and scoreboard.

1st Seaholme Brownie News

On Friday, April 17, 5 Brownie Guides attended a St. George's Day service at St. Paul's Cathedral and on Sunday, April 19, eleven Brownies participated in the Anzac Day march and service.

These girls have completed their first aid test and were presented with their badges last week: Kristine Andrew, Lyn Dryden, Helen Douglas, Janis Brown, Yvonne Camilleri and Christine Harrison.

The next venture is a trip to visit children at the Berry Street Babies Home on May 9. Brownies Guides take small gifts and entertain the children during the afternoon. Some of the older Brownies have started to knit squares which will make up a cot blanket for these children and hope to have it finished later in the year.

Anyone who has spare wool might like to donate it to the pack to help towards this cot blanket and a phone call to 398-1304 will see it is collected and put to good use.

erection of goal posts on the football oval; filling of depressions on the oval; repairs to security lighting, and the digging of garden beds. Thanks are extended to all who lent their labor.

The central library is in the process of construction and should be completed within the next four or five weeks.

All infant grades visited St. Martin's Theatre in South Yarra for various performances by the Victorian Ballet Guild. The children were most enthusiastic and genuinely appreciated this cultural experience.

A new member of staff, Mrs. Dorothy E. Williams, of Yarraville, commenced duty as part-time Clerk/Typist at the school on April 20.

The Mothers' Club and pupils of Brooklyn West Primary School have been extremely active during the month of April, in a concentrated effort to raise money to buy sporting equipment.

The children organised, and conducted a variety of competitions and entertainments, which were held both in and out of doors. The boys and girls are to be congratulated, as their efforts to date have raised \$33.41.

A recent luncheon and card afternoon arranged by the Mothers' Club, raised \$20.00. Despite wide publicity, only a small group of ladies attended. Nevertheless all thoroughly enjoyed themselves. Special thanks to Mrs. Jean Hamner and Mrs. Jean Hillier, who each gave valuable assistance at the function. A social evening for financial Mothers' Club members will be held on May 1 at Mrs. Olwen Gordon's home at 46 Chambers Road, Altona North at 8 p.m. New and old members are most welcome to attend, as it will be a good opportunity to mix, and thus work together for a better year.

Amid the multitude of school children at the MCG during the Royal Visit were 50 boys and girls from Grades 5 and 6. They travelled by bus, and were accompanied by Mr. D. Graham, Mrs. E. Jowett, and Mothers' Club representative Mrs. Pat Spivey.

A working bee organised by the School Committee during early April saw a pleasing response by fathers. Many essential tasks were completed, including the

Altona North High School Ex-Students

At the Annual Meeting held at the school on Thursday, April 16, it was decided that the Association should go into indefinite recess. This was due to the lack of support given from ex-students.

Poor attendance at the meeting proved lack of interest.

The Committee, consisting of Eddie Szatkowski, Rhonda Kennedy, Alan King, David Kenyvn, Liz Szatkowski, Russell McKimm, Nellie Szkolny and Howard Ritter decided that financial gain received during that duration will be used to donate a perpetual trophy to the school.

The trophy will be subject to certain conditions, outlined by the Committee, which will be given to the most outstanding sporting identity at the school each year. This person will have to excel themselves both in leadership, and team effort, and even individual triumphs.

It is hoped that interest in the near future will be regained in the Association.

CLARKE — O'NEILL WEDDING

Mr. and Mrs. John Clarke and their attendants Miss Sandra Clarke and Mr. Trevor Cummings leave the Sacred Heart Church, Newport, after the couple were married on April 4.

The bride is the former Sharon Maree O'Neill, only daughter of Mr. and Mrs. V. O'Neill of Anderson St., Newport, and the groom is the only son of Mr. and Mrs. W. Clark, Rayner Street, Altona.

A Victorian styled gown of French lace was worn by the bride and her long veil was held in place by a pearl headpiece. She carried a bouquet of frangipanis.

The bridesmaid and three-year-old flowergirl, Naomi Henry, wore lemon shantung frocks and carried white carnations.

The reception was held at Talbot House, Williamstown.

JOHN TRICKEY WINS OPEN SINGLES CHAMPIONSHIP

The outstanding performance in the Western Suburbs Championship Finals was 15-year-old John Trickey's win over Tony Campanelli in the Men's Open Singles. John's performance stamps him as the best district prospect since Owen Davidson.

TENNIS CHAMPION JOHN TRICKEY

One of the best crowds ever at a finals day were rewarded by a feast of high standard tennis. Early in the day they were kept on their toes when Sheryl Fosdick defeated Robyn Fraser in the Under 19 girls' singles 12-10 in the third set and they stayed until 6 p.m. to see Cathie Thomas and Robyn Fraser defeat Judy Shedd and Sheryl Fosdick to finally win the ladies' doubles 11-9 in the third set in drizzling rain.

Throughout the day close matches were played in all grades. Little Skanna Higgs nearly caused the upset of the day by taking Val Coghlan to 9-7 in the B Grade ladies' singles.

Barry and John Tempest just got home against Tony Keelan and Robert Willey 11-9. Cheryl Veall and Sue Bongetti had to produce their best tennis to defeat Charlene Egan and Helen Downie 11-9.

Peter is an air frame mechanic with Ansett Airlines. He attended Williamstown Technical School up to the 5th form and attends Royal Melbourne Institute of Technology part time.

Smoking And Accidents

Cigarette smokers are more accident-prone than non-smokers, according to Dr. Cotter Harvey, President of the Australian Council on Smoking and Health.

An American report stated that smokers were three times more likely to be involved in car accidents, said Dr. Harvey in an article in the April edition of "Royalauto", the RACV journal.

He said smoking in a car involved three possible losses: loss of control, loss of vision and loss of concentration.

Another more subtle hazard not yet fully researched was the problem of carbon monoxide from cigarettes; carbon monoxide readily replaced oxygen in the air and in the blood. The average smoker had about eight per cent carbon monoxide in his blood stream.

This could cause lowered attention and difficulty in concentration, slight muscular inco-ordination, sleepiness and mental and physical lethargy.

There reactions were increased by alcohol in the same way alcohol reacted with drugs, Dr. Harvey said.

One-Way Signs

Cr. W. L. J. Crofts has asked Altona Council to erect "One Way" signs in the Millers Road service road adjacent to the Village Estate.

20th ANZAC DAY MARCH

Approximately 100 members of the Spotswood-Kingsville and Yarraville Sub-Branches, RSL, participated on Sunday in the march and a large number of district residents attended the Commemoration Service.

The March Marshal was Group Captain H. J. Gent (Ret.) RAAF, and the march was capably led by the Footscray-Yarraville Band.

Among the marchers were 1st and 2nd World War veterans, Korean, Malaysia and Vietnam veterans, followed by district scouts, cubs and guides.

Guest speaker, Major W. Benentall, RAAF School of Languages, Point Cook, took the salute at the Cenotaph and later in his address to the gathering emphasised the spirit of Anzac.

Distinguished guests in attendance were the Mayor and Mayoress of Footscray, Cr. L. Hoffmann representing the Williamstown Mayor, the Hon. Alec Knight, M.L.C., Mr. Jim Gray, Mr. and Mrs. Schintler, President of Footscray-Sunshine Legacy Mr. E. J. Anselmi, Footscray Town Clerk Mr. S. Swaby and Footscray, Williamstown councillors and wives.

Wreaths were laid at the Cenotaph by Major Benentall, Presidents of Spotswood-Kingsville, Yarraville Sub-Branches, Williamstown and Footscray Councils, War Widows Association, St. John's Ambulance and numerous members of the public.

Hymns were capably led by the Hope of Yarraville Choir conducted by Mr. R. Davies and Brigadier Jones of the Salvation Army gave the reading and benediction.

In the address to the gathering the President of Spotswood-Kingsville Sub-Branch stressed the need for cooperation in all R.S.L. appeals.

At the conclusion of the Service the Ladies' Committee served morning tea to all in attendance.

EDITORIAL

ALTONA MEADOWS

The Altona Council land sale at Altona Meadows resulted in all the land offered being purchased at ruling market values.

The land is relatively low in cost compared with that in other parts of Altona. The Council will need to do all in its power to see that cheap land is not complemented by "cheap" housing.

The Altona Council is entitled to and will take its sale expenses, all overdue rates and interest and road making costs. The surplus, and this is a considerable figure, will be paid into Government Consolidated Revenue.

In this the Council must acquiesce but there are several particular grounds in this and in other municipalities, which would entitle the Altona Council to put forward a claim against the lack of equity in the position.

1. The market value is largely due to the progress and circumstances of the City of Altona.

2. The Council has been put to extra charge because of the almost archaic layout of the old sub-dividers.

3. The Council must build and maintain at its own expense, a lengthy so-called "government" road.

4. Land adjacent which Altona Council needs to acquire for open spaces must be purchased from the Government.

The almost unique features of this "old Laverton subdivision" could well give a strong Altona case for special consideration, even if only on the cost of acquisition of the land for open spaces.

Director for Arts Festival

Altona Council has agreed in principal to the appointment of a director to help organise the proposed 1971 Altona Arts Festival.

Cr. R. K. Richards said on Tuesday that the Altona Arts Advisory Council had not yet decided whether the director would be paid or voluntary.

"This will be discussed at the Advisory Council meeting on Friday," he said.

He said the Advisory Council did not yet know if it would receive the Government grant it had applied for.

"The Government has \$3 million to give away on this sort of thing this year," Cr. Richards said, "and we hope our grant will be forthcoming."

He said the 1971 Festival would be held during March, when the chances of good weather were favorable, and when Altona could "cash in" on the Moomba publicity.

"We have more halls in the city now than we did when the first festival was held three years ago," he said.

"Because of this we have decided that the festival should run for a long period this time."

"Last time there were two or three functions on in the one evening."

"Local halls have been asked if they will be available, and many groups — some of them outside our city and from as far away as Ballarat — have indicated they will be happy to participate in the 1971 Festival."

"The show should be a roaring success. I feel sure it will be one the people of Altona will be proud to be associated with and to take part in."

RAFFLE

Approval has been given for Altona Apex Club to conduct a raffle to raise funds for the Altona and District Hospitals.

HOUSING FOR ELDERLY CITIZENS

A representative of the Housing Commission will give an address in the Altona Elderly Citizens' club rooms at 10.30 a.m. on Wednesday, April 29, 1970.

Mr. Cleary, Estates Officer for the Housing Commission, will outline the means of assistance given by the Housing Commission in connection with living units for elderly people.

He will discuss the allocation of low rental units and other Housing Commission flats and houses. An invitation is issued to all people interested in elderly citizens welfare, including elderly citizens themselves, be they members of the club or otherwise, to attend this meeting at 10.30 a.m.

MARRIED AT ST. JOHN'S

Mr. Trevor Lynton Beales and his bride, the former Lynette Joan Hansen toast each other after their marriage on April 11 at St. John's Church of England, Footscray.

Outside the church they walked through a guard of honour of local scouts and guides — he is a scoutmaster with the 2nd Altona group and she is a guide with the 1st Seaholme Guides.

The bride is the eldest daughter of Mr. and Mrs. L. Hansen of Grieve Parade and the groom is the only son of Mr. and Mrs. K. Beales of Bent Street, all of Altona.

An Empire line gown of angel skin satin and chiffon with re-embroidered lace bodice and sleeves was worn by the bride. Her full length veil was held in place with lace head-dress and she carried camellias and lily of the valley.

She was attended by three bridesmaids, her sister Beverley Hansen, the groom's sister Brenda Beales and Pat Burgess. They wore Empire line gowns of apricot shantung and carried autumn toned posies.

Best man was Ricky Benedierks and groomsmen were Charles Court and Alan Groves.

One hundred guests attended the reception in the Altona Civic Hall. The wedding cake was made by the bride's aunt Mrs. M. Sparks of Dandenong.

When going away the bride wore a cream wool dress and jacket and Breton hat trimmed with tomato red and the same red accessories.

The couple toured Tasmania on their honeymoon.

ALTONA HISTORICAL SOCIETY

Last Wednesday evening a large proportion of the members of the Altona Historical Society met at the Homestead and discussed, for their main topic, the proposed display for March, 1971.

It was suggested that all local organisations and clubs might be approached with the aim of asking them for early and progressive photos and an outline history of their organisation or club.

Such a topic would be sure to interest every resident in Altona in some way or another.

The next meeting of the Society is planned for the third Wednesday in May, the 20th, and members will again meet in the back room of the Homestead at 128 Queen Street, Altona, at 8 p.m.

ALTONA MUSEUM

On Sunday last the members of the Altona Historical Society who opened the Altona Museum at the Homestead were gratified to receive an almost continual stream of visitors through the Museum.

The picture post cards again proved popular.

The Museum will again be open on the third Sunday in May, the 17th, when it is hoped that more people will come.

Street Stalls

Altona Council last week approved four applications to hold street stalls.

Altona West Kindergarten will have a stall in Pier Street on May 1, and the same day the Third Altona Scout Group will hold a stall in Borracock Square.

Altona North Guides will have stalls in The Circle on May 2 and June 20.

FIRST AID CLASS

The Altona Division of the St. John Ambulance Brigade is conducting a First Aid Course in the Youth Hall, Civic Parade, Altona, on Thursday evenings at 8 p.m.

Enrolments will be taken on the next two or three Thursdays, but you are urged to start as soon as possible.

The course extends over 16 weeks and includes theory lectures and practical demonstrations.

An examination for the St. John Ambulance Association certificate is held at the conclusion of the course.

Fees are: Course fee \$2.50, First Aid book \$1, Bandages 55c.

As it is impossible for the Altona Division to cover all sporting activities we urge all sporting bodies to send at least two members to be trained for this very important part of their activities.

Thanks From R.S.L.

Altona Hospital Ladies' Auxiliary

The Secretary of the Altona R.S.L., Mr. Bill Draper, would like to thank the Mayor of Altona, Cr. P. A. Burns, other councillors, the Town Clerk, Mr. J. W. Waters, the Altona City Band, Cubs, Brownies and artist, Mr. Carl Van Biene, and the large number of members who attended the march and service on Sunday at the Cenotaph.

A Dawn Service will be conducted on Anzac Day at 5.30 a.m. from the club rooms.

A large crowd enjoyed a good evening of dancing at the clubrooms last Saturday night. The next dance held by the R.S.L. will be on May 16.

Any person desiring to join the R.S.L. should contact the Secretary on 398-2817.

A most interesting demonstration of liquid embroidery was enjoyed by members of the Altona District Hospital Ladies Auxiliary and friends who attended the morning coffee party last Wednesday at the home of Mrs. Lorna Weaver.

Liquid embroidery is using color fast paints to fill in designs either drawn or transferred onto ready made garments or materials.

The entrance prize was won by Mrs. Eden Heriot.

Coming functions being organised by the Auxiliary include a luncheon and apron parade at Koorringal Golf Club on May 27. Tickets are available at the "Star" office.

The annual Dinner Dance will be held at the Fiesta on July 30.

THE CURTAIN RISES

BY THISBE

A very pleasant evening was spent at the theatre on Saturday when members joined together for a basket and bottle dinner.

Cold chicken and salad seemed to be the most popular main course although we did see some Kedgeree and several cheese dishes. Desserts ranged from Pavlovas, fresh cakes and the beautiful fresh fruit in season at the moment.

The guests were entertained with music on the piano accordion and they all joined in singing many special requests.

After dinner the party danced in the courtyard until 11.45 p.m. when the dance hall changed back into a theatre and everyone went home.

This was, of course, the last social gathering before the start of the season of "Woman in a Dressing Gown".

From now on members will be busy making sure all preparations are ready for dress rehearsals for the show opening on April 29.

Bookings have opened at E. S. Marr's Music Shop, so book early if you want the best seat.

Altona West Primary School

Mothers are reminded that owing to the Mothers' Day Stall at the school on Friday, May 8, the regular monthly meeting of the Club will be held a week earlier — that is on Thursday, April 30, at 8 p.m.

Mothers are asked to bring to this meeting their gifts they have ready for the stall.

The Western Branch of Parents Without Partners held a picnic at Touroum-nong Reservoir recently.

It was well attended by members and their children, also some members from other branches.

Races were run for the children and a hill scramble was open to all. Highlight of the day was the egg catching game.

Most people enjoyed a barbeque lunch and after afternoon tea were ready to leave for home.

WILLIAMSTOWN LIGHT OPERA COMPANY

Ann Luckhurst, an up and coming young actress from Woods Street, Newport, is to portray the part of "Tuptim" in "The King and I", which is the May production of the Williamstown Light Opera Company.

Ann has been with the Company only a short while, but has already been seen in a leading role as "Ann Pornick" in "Half a Sixpence". For that performance, she received an honorary mention for assistance given to the leading man who actually won the annual award for his performance.

Although Ann is rehearsing to play a very demanding principal role in "The King and I" she also may be seen wearing a dustcoat and assisting with painting scenery and sets when she has a break from rehearsals.

With only a matter of about two weeks to go until the curtain rises on opening night the Company's ticket manager, Mrs. Doris Lalor, states that bookings are extremely good. Mrs. Lalor, who only recently was made a life member, is one of the foundation members of the Company.

At this time in every production she is at her busiest, with over 1500 patrons to seat during a season of seven nights, numerous concession groups, subscribers and public sales, all this, but there never ever seems

4th Altona Scouts

The 4th Altona Scout Group Ladies Auxiliary will meet on Friday night, April 24, at 19 Maldstone Street, at 8 p.m., for their monthly meeting.

Twelve Girl Guides Make Their Debut

Twelve girl guides in attractive white frocks made their debut at the first debutante ball of the West Metropolitan Region of Guides on Thursday night.

The deb set was almost entirely comprised of members of the Guide and Scout movements.

Apart from the debutantes, all except three of the partners were Rovers or Senior Scouts and the three flower girls were all in the Brownies.

The ball, which was in the Orama Ballroom, Footscray, included a pretty presentation which was highlighted by the presentation of each girl in turn to the Region Commissioner, Mrs. H. Carlyon, and Mr. E. G. Carlyon.

At one stage, the three powder-blue-frosted flower girls went forward to the familiar tune of "My Favourite Things" from a Julie Andrews' film, and presented bouquets to Mrs. Carlyon and the two women beside her, the Mayoress of Footscray, Mrs. E. R. Allan, and the wife of the deputy town clerk, Mrs. R. Walker.

The flower girls were Robyn Faichney, Susan Bradley and Wendy Strickland.

The set was trained by Veigh Hume and drew debts from Guide companies throughout the Western Suburbs.

The debutantes were (partners in brackets) —

Susanne Young (Philip Putt), Susanne Dickinson (Hans Dusink), Kay Griffin (Stephen Cooke), Carole Baker (Kenneth Hunter), Alison Peake (Sean Thomsson), Wendy Baker (Kenneth Bryant), Susan MacDougall (Peter Downing), Wendy Trist (David Rose), Debra Coleman (Gregory Mills), Wendy Addicott (Ian Faulkner), Lynette Campbell (John Tempest), Sandra Kenyon (Allan Grinham).

The club rooms are situated in Mason Street, Newport, just behind the Public Library. A very fine 3-course meal is provided at the clubrooms each day from 12 noon at a very low cost of 30c. LOCAL AIRMAN IN PHILIPPINES EXERCISE

A local airman is among members of No. 11 Squadron, RAAF, who are taking part in a combined maritime exercise in the South China Sea.

Sergeant Charlie Norton, armament fitter, of Altona, Vic., left, is explaining a mine pylon to USN Seaman Marc Dyer, of Nebraska, USA.

Four Orion maritime aircraft, each with a crew of 10, flew non-stop from their base at Edinburgh, S.A., to the U.S. Navy base at Sangley Point, near Manila. Supporting maintenance crews were flown in by RAAF Hercules transport aircraft.

The Orions are among naval and land-based aircraft from Australia, New Zealand, Thailand, Britain and the United States.

Five Australian warships are among the ships and submarines taking part. They have formed a convoy which is sailing from the Philippines to Thailand, watched over day and night by the Orions and other maritime aircraft and by accompanying ships.

During their off-duty times, the RAAF men are taking advantage of the

tourist attractions in the Manila area. One group of men recently spent a day on nearby Corregidor Island, scene of bitter fighting during World War II.

DANGER IN TANKER BERTH

Cr. D. McDonald sees danger in an oil tanker berth built within half a mile of the new West Gate Bridge.

At the last meeting of Williamstown Council he urged that the matter be discussed by the Municipal Association and steps taken to have the berth moved further down the river.

Council decided to have the inflammable tanker berth matter included on the next agenda of the association.

DRESSES STOLEN

A railway worker who stole a parcel of four dresses from Williamstown railway station because he wanted to give his wife a present was fined \$10 in the Williamstown Magistrates Court on Friday.

Mr. A. Pfeifer, S.M., told the man, Bruno Ernest Schonfelder, of Cecil St., Williamstown, that he had saved himself from a jail sentence only by admitting the theft next day and co-operating with the investigation.

Mr. W. Cuthbertson, a railways investigator, told the court Schonfelder had been alone on duty at the station after 8 p.m. on March 25. The dresses arrived with a parcel delivery shortly after and he took them home at the end of his shift because he thought they would suit his wife.

Schonfelder told her he had bought the dresses, but broke down next day and said they were stolen. He then telephoned the manager of the store to which the parcel was addressed and explained what had happened.

In a statement to the court Schonfelder said he realised he had been "very silly" and after the incident had been so ill he had been unable to go to work for two days.

EXPENSIVE WEDDING

A special trip to Williamstown to attend his sister's wedding resulted in a Portarlington man paying fines totalling \$160 in the Williamstown Magistrates Court on Friday.

Raymond Lowe, of Brown Street, Portarlington, was fined \$60 for driving while having a blood alcohol content in excess of .05 and \$100 for being unlicensed to drive.

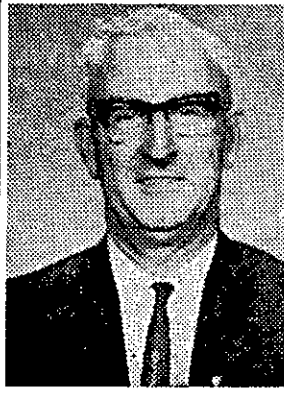

Constable T. W. Fawcett, of Williamstown Police, told the court he apprehended Lowe in Champion Road on December 3, 1969. His attention was attracted to the car because Lowe was driving along in the dark with no lights on.

A breathalyser test showed he had a blood alcohol level of .13.

Publicity

Altona Council will affiliate with the Australian Publicity Council, which promotes Australia at home and overseas. Cost is \$20.

Mr. Norm Way Endorsed By TWO LOSERS D.L.P.

Mr. Norm Way, a taxi operator of West Suburban depot, has been endorsed as the Democratic Labor Party candidate for the Williamstown seat in the coming election.

He is a married man with three children and has lived in the Williamstown-Yarraville area all his life.

Mr. Way takes an active and intelligent interest in trade union affairs. He is a member of the Motor Transport Union.

Mr. Norm Way is secretary of the Footscray Hospital Helpers Organisation, which is currently sponsoring a \$21,000 project to rebuild and re-equip the X-ray department at Footscray Hospital with new high speed equipment.

Because he knows the needs of the western sub-

urbs very well and believes that the western area is long overdue for a new deal in its parliamentary representation, Norm Way has decided to contest the Williamstown seat for the D.L.P.

Mr. Way is concerned that young married couples in this electorate are seriously hampered in providing themselves with a home because of exorbitant land prices. There is also a serious lack of low finance for them to provide the necessary deposit when buying a home.

He believes that the D.L.P. is the only party with a realistic answer to this problem.

STOLE HIS FATHER'S MONEY

A youth who went on a spending spree in a city hotel, tipping waitresses \$3 a time, appeared in the Williamstown Magistrates Court charged with stealing the money from his father.

Raymond William Weeks, of Waters Drive, Altona, pleaded guilty to the larceny of \$60 from his father's home on April 4.

He had only \$9 left when apprehended by detectives in King Street, Melbourne, after a Saturday night spree and admitted breaking into his father's house to take

A domestic argument that flared into a fist fight outside the Pier Hotel cost a man and his brother-in-law \$20 each in the Williamstown Magistrates Court on Friday.

Allan Lindsay Marshall, of Stewart Street, Williamstown, was convicted on a charge of offensive behaviour and Terence Michael Hogan, of Hamer Street, Williamstown, was convicted of using indecent language.

Constable J. T. Guy, of the Wireless Patrol, told the court he was called to the Pier Hotel in Nelson Place, Williamstown, at 8.45 p.m. on March 21 and saw Marshall punch Hogan to the ground. Marshall was placed in a divisional van but Hogan resisted briefly and used indecent expressions.

The men said they were arguing over a domestic matter.

the money while the family were out.

Mr. A. Pfeifer, S.M., released Weeks on a \$100 bond to be of good behaviour for 12 months and ordered him to repay the stolen money to his father.

He warned Weeks that if he appeared in court again during the next 12 months he would forfeit the \$100 bond and be sentenced to a term of imprisonment for the offence.

33 NATIONALITIES ATTEND LOCAL KINDERGARTENS

Thirty-three nationalities are represented in the enrolments of the fourteen kindergartens in the Altona-Williamstown area. From a total of 13 pre-schools, the attendance of 722 children is made up of 356 Australian born children, 86 from the British Isles, and the balance of 280 children comprised 31 other countries.

These facts came to light when a survey was carried out in the area prior to the holding of the 12th annual Municipal Pre-Schools Association of Victoria Conference which was held under the auspices of the Newport Kindergartens Committee and the Williamstown Council.

The theme of the conference was "The Migrant Child," and Health Department Pre-School Supervisor Miss Stein organised and collated information from a survey of the area.

Of the 33 nationalities there are 137 families where both parents come from the same country, 109 families with multi-racial parents — of these 78 have one Australian parent. In 200 of these homes English is never, or very seldom, spoken within the home.

Pre-school conferences are usually held in the eastern suburbs and country centres. For this first conference in the Western Suburbs, Williamstown Council gave the use of their Supper Room free, and Altona Council collaborated with the Newport committee to write and print a souvenir booklet of a bus tour of Williamstown-Altona and three local kindergartens.

Over 200 educators, teachers and committee members from all over the State joined with delegates from local kindergartens.

The Mayor of Williamstown, Cr. R. Dawes, opened the Conference, and also present were the Hon. Alec Knight, MLC, Mr. Larrie Floyd, MLA, the Mayor of Altona, Cr. Pat Burns, and the Mayor of North Melbourne.

Four local kindergartens were opened for inspection by delegates. Robina Scott Kindergarten of Williamstown, Ronald Avenue and Blackshaws Road, Altona North, and Home Road, Newport, all had special displays, including samples of art work by each nationality. The organisers expressed appreciation of the work put into the displays by the Directors of all local kindergartens, who combined with the directors of the particular kindergartens to be inspected.

Morning and afternoon tea was supplied by members of committees of kindergartens of Williamstown, Newport, Altona and Footscray.

Guest speaker for the Conference was Mr. David Cox, B.A. (Melb.), migrant worker amongst migrant families for the Victorian Council of Churches who spoke on "The Migrant Child." He stressed the very great problems confronting a migrant family as their children become assimilated into the Australian community, and begin to identify themselves with Australians and not with the country of their parents' birth.

Any changes in an Australian home are largely controlled and conditioned by the parents, usually through a change of address, a change in a parent's vocation, a promotion, the advent of a mother going to work. The parent is the "control."

In the migrant family, however, change is more likely to come through the child, and the family position is reversed. The mother who stays home, cares for her children, learns little English, soon loses her identity as both husband and children move about in a world she cannot enter. This has become a very real problem, and the figures from the Mental Hygiene Department reveal that increasing numbers of migrant mothers become neurotically ill from the pressures upon them.

Mr. Cox expressed the opinion that it is the job of educators to show migrant children that there is much to be proud of in

their own heritage, in the country of their parents' birth. They should endeavour to show that, whilst a migrant child is trying to identify with Australia he can be proud of his background, and not simply discard it, along with his parents, as an embarrassment and a matter of shame. Migrant children must feel that they can embrace the Australian way of life without losing the love and security of their own family life.

Clamp Down On Business

Cr. C. W. Carlsson has asked council officers to investigate small businesses being operated in residential areas throughout the city.

"I don't mean the small ones that aren't hurting anyone," said Cr. Carlsson, "but some of them are large businesses really."

He also called for action on the parking and repairing of commercial vehicles in the streets and on nature strips at weekends.

SAFETY

Altona Council will be represented at the Victorian Industrial Safety Convention, to be held at Monash University in June.

Spastic Aid

A request for a donation by the Altona Spastic Aid Committee has been referred to Altona Council's finance committee.

The Spastic Aid Committee thanked council for its assistance over the past 10 years and offered to cater for future naturalization functions.

ANTS Student Law Graduate

Former Altona North Technical School student Roy Punshon of Rosshire Road, West Newport, was conferred with the Bachelor of Laws degree at Melbourne University on April 11.

Mr. Punshon began his schooling at the Newport West State School where he attended until he was 11 years old.

Whilst waiting for the Altona North Technical School building to be constructed he was sent to Powell Street State.

After completing the final year available at Altona North he started a civil engineering Diploma course at Footscray Technical College.

He had completed two years when he changed his mind and decided to switch to law.

It was necessary for him to matriculate so he attended Footscray High and was granted a Commonwealth Scholarship.

At Melbourne University he studied law for four years and is now articled to Slater & Gordon.

Approval For Tip

The Health Department has approved Altona Council's application to use eight acres of land at The Pines for a garbage depot.

Conditions are that the council conduct the depot in accordance with regulations, provide adequate water supply for fire fighting, fence the area to contain wind-blown material, and construct a levee bank along the foreshore to prevent flooding.

Walkathon

Altona Council will allow Altona guides and brownies to hold a five-mile walkathon on May 2.

The walkathon will start at the guide hall at 9 a.m. Proceeds will go towards improvements to the hall.

Operation Beach Clean

Organisations which took part in this season's Operation Beach Clean will be entertained at a buffet tea in the civic centre before the next Council meeting on April 28.

Cr. R. K. Richards asked that all log books be returned as soon as possible so the winning organisation could be decided.

A presentation will be made to the winners at the buffet tea.

\$40 FINE FOR EXCEEDING 40 M.P.H.

A man who Police alleged was travelling at 80 m.p.h. along Kororoit Creek Road, Williamstown, was fined \$40 in Williamstown Magistrates' Court for exceeding the 40 m.p.h. speed limit in the area.

But the man, Herbert Putz, of Kororoit Creek Road, Williamstown, claimed that he had parked in front of his house, gone inside, then returned to his car before the Police van arrived at the scene.

He said at no time did he exceed 40 m.p.h. while driving home, and gave evidence that he had no convictions after 17 years of driving as many as 40,000 miles a year in his position as a business proprietor.

Constable T. W. Fawcett, of Williamstown Police, told the court he had pursued Putz's car for over a mile without being able to overtake it and had clocked his speed over five-tenths of a mile at 80 m.p.h.

In another case of exceeding the speed limit John Charles Harbour, of Simmons Street, Yarraville, was fined \$12.00 and had his licence cancelled for three months for travelling along Nelson Place, Williamstown, at 45 m.p.h. on January 14.

Month's Gaol For Car Thief

A would-be car thief who went only a few yards and was caught in the act by an irate owner, was sentenced to a month's gaol in Williamstown Court.

The man, Peter John Condict, of Madden Street, Newport, was convicted of using a motor car without the consent of the owner.

Constable T. W. Fawcett, of Williamstown Police, told the court he was called to Melbourne Road, Newport, on the night of April 6, where Condict was being held.

He said Condict had been drinking and climbed into the car after noticing an open window. He turned the ignition switch, which had not been locked, and the car started.

But he had only managed to drive a few yards before stalling the car and being seized by the owner.

In explanation Condict said he had been drinking before the incident and was upset because he had recently become estranged from his wife and child.

"REMOVE POSTS OR WE WILL BURN THEM DOWN"

Rail posts that the Railways erected at the underpass, between Melbourne Road and Hall Street, are regarded by Cr. J. M. Byron as a grave traffic hazard.

"The railways should be given seven days' notice to remove the posts, and if nothing is done they should be burnt down," said Cr. Byron at the last meeting of Williamstown Council.

In a letter to the council the Secretary for Railways intimated that the department would have no objection to council erecting, at its own cost, a guard rail fence to the existing line of rail posts, or closer to the kerb, if required.

The Railways' opinion was that the improvement sought by the council was for the benefit of road-users, was that any work carried out was the responsibility of the road authority.

"The Railways put in these posts and if they are not removed soon somebody is going to be killed," said Cr. Byron.

Pedestrian Problem At Dockyard

As the site is being prepared for the erection of a prefabricated building it would not be possible to provide another pedestrian access to the Naval Dockyard in the north-east corner of Nelson Place, the dockyard general manager has told Williamstown Council.

The suggestion was made by the Council to relieve pedestrian problems in the area.

The Council was also told that car parking in the wheat silo area presented another problem, although fewer cars now park there.

The dockyard manager pointed out that if pedestrian access was provided at this point there would be a risk of accidents, as pedestrians cross the path of cars entering and leaving the silo area.

Plans were already in hand to convert the main dockyard access to pedestrian traffic only, and by rearrangement of the clock races it was hoped that the time taken for employees to leave the dockyard would be reduced.

A notice will be erected over the new clock races to stress the need for caution when crossing the road.

EVIDENCE OF SMELLS

Altona Council will submit to Werribee Council evidence on smells blowing into the city from two meat processing firms in the shire.

Cr. D. K. Grant suggested that Altona recommend to Werribee that the firms be de-registered, but altered his motion when it was indicated that the recommendation could be construed that Altona was trying to interfere with the shire's business.

ES&A Bank's New Accountant

Mr. N. H. Martin, of Ginnifer Avenue, Altona North, has been appointed Accountant of the E.S.&A. Bank's Williamstown Branch.

He was formerly an instructor at the Bank's Victorian Branch Staff Training School.

Mr. Martin took up his appointment on April 10.

Mr. W. T. J. Uren, chairman of the Olympic Council, informed council that Mr. Nicola Ciancio, of Chambers Road, Altona North, has been selected for Australia's weightlifting team.

Mr. J. W. Waters, Town Clerk, told council the cost of sending a person to the Edinburgh Games would be \$1200.

WITNESS CHANGES HIS STORY — YOUTH FREED

A youth facing imprisonment on charges of dangerous driving, careless driving and driving while his licence was cancelled was freed in Williamstown Magistrates Court on Friday when a witness dramatically reversed a statement he had made earlier to the police.

The witness, Lawrence Anthony Williams, of Charlotte Street, West Newport, said his first statement contained what he thought the police wanted him to say because he feared a "hiding" if he did not agree with them.

Police alleged that the accused, Ian Gilmore Cashen, of Forest Road, Ferntree Gully, was driving his car in April last year when it crashed into a lamp post in Maddox Road, West Newport.

There were four passengers in the car—two claimed Cashen was the driver and two testified that another youth, Richard Andrew Morgan, of Truman Street, Newport, was the driver.

Cashen, who last year was convicted of being drunk and disorderly and obstructing the police on charges arising out of the same incident, was fined \$20 for giving a false name and address to the police.

As he stepped from the court room after the case waiting police arrested him on three more charges and took him to the watch house.

Williams, who named Cashen as the driver in a statement to police last year, said in the witness box that Morgan had been the driver. He claimed that Cashen had been seated beside him in the back seat.

After the accident Williams and Morgan fled from the scene because they feared the arrival of the police.

Cashen told the court he had been a passenger in his car from about 2 p.m. on the day of the accident.

He said he and another youth, Brian Jones, had left his home at that time in company with Morgan to go to a party at Newport. He gave the keys to Morgan because his own licence was cancelled and Morgan was the only other person who held a licence.

They stayed at Morgan's home in Newport until leaving for the party at about 6 p.m. The accident occurred at about 11.15 p.m. as they were on the way to a second party.

Cashen said that everybody in the car had had a good deal to drink. He intended to flee the scene of the accident like Williams and Morgan but remained behind when he saw that Jones had been injured.

Brian Jones, of Queen Street, Altona, said he had been staying at Cashen's home at the time and travelled with him the whole day. He agreed with Cashen's evidence and said he was seated in the front beside Moran, who was driving.

Morgan told the court the first time he had seen Cashen that day was at the party. He denied driving the car at anytime that day and

said he was a passenger in the back seat when the car hit the lamp post.

The other passenger, John Edward Bartlett, of Charlotte Street, West Newport, named Cashen as the driver and claimed Morgan was seated in the back seat with he and Williams at the time of the accident. He said that seconds before the impact he looked and saw that Cashen was asleep at the wheel.

Constable W. Ritchie, of Newport police, said Cashen had given him two false names and addresses on the night, one at the scene of the accident and another at the hospital where he was being treated for head lacerations.

Mr. A. Pfeifer, S.M., said there was insufficient evidence to convict Cashen and dismissed the charges of dangerous driving, careless driving and driving while under cancellation.

Council Seeks Road Grant

Altona Council has applied to the Country Roads Board for 1970-71 roadworks grants.

Grants have been sought for the reconstruction of Millers Road, between Civic Parade and the Esplanade; resealing Kororoit Creek Road between the Mobiltown railway crossing and the Kororoit Creek bridge; construction of Grieve Parade between Pinnacle and Doherty's Road; widening and reconstruction of Queen Street between Apex Park and the Truganina Swamp drain; resurfacing Blackshaws Road between New Street and Broadway; acquisition of 41 ft. of land along the south side of Queen Street through Altona Meadows subdivision.

ONE MONTH'S GAOL FOR "RUBBER CHEQUE"

A young man who stole a blank cheque form and then cashed a valueless cheque for \$75 in his uncle's butcher shop was sentenced in the Williamstown Magistrates Court on Friday to a month's imprisonment.

The man, Joseph Abraham Russell, of Railway St., Altona, was sentenced to a further month's imprisonment for using a car without the consent of the owner.

Detective First Constable A. G. Wilson, of the Williamstown C.I.B., said Russell stole the cheque form from a men's wear shop in Altona after noticing an open cheque book on the counter.

At home he made out a cash cheque for \$75, signed the name Allan Dawson and resented it at his uncle's shop in Altona saying Dawson had given it to him to repay a loan.

Russell was given \$30 on Friday, December 4, 1969, and returned the next day to collect the rest of the money. He used some of the money to repay debts and spent the rest.

Detective Wilson said Russell had not seen his uncle since.

He also pleaded guilty to a charge of using a car without the consent of the owner. The incident took place on January 18 when Russell took the keys from the sleeping owner's pocket to drive in search of more beer for a party.

The car was damaged during the drive and he dumped it at a nearby garage because he was afraid of the consequences if he returned it.

Russell intended to leave for Mildura the next day and believed the owner would have left the state before he returned home.

MULTIPLE SCLEROSIS

The Multiple Sclerosis Emergency Home Help Division is in urgent need of volunteers in this area to visit sufferers, perhaps once a week to render assistance.

This help is in the form of ordinary light household duties, transport for shopping, or just a friendly visit.

Sister Browne, the Patient Care Co-ordinator for the Division, says:—

"I have found the kindness and consideration of our volunteers to patients is one of those things that money can't buy."

Multiple Sclerosis is a disease of the Central Nervous System which causes paralysis in many parts of the body. The cause is unknown and there is no known cure. It often affects young people in the 20-40 age group, usually with young families. The effects of this disease on the sufferer and their family is physically and financially devastating.

The Home Help Service eases the burden and provides comfort and friendship to patients who are usually confined to the house.

If any reader can help people in this district please phone Sister Browne on 91-3314.

MORATORIUM

Dear Sir,

I would like to appeal to the people of Altona to react to the Moratorium Campaign. Moratorium is a conscious reaction to the war in Vietnam—an unjust war.

Why do I say unjust war? Well, here I can generalise in saying that all war is unjust because it involves the destruction of human life. Not only does it destroy Australian and American lives, but those of Vietnamese civilians, Viet Cong, North Vietnamese plus the women, children and old men persecuted by years of awe and violence.

Moratorium is not hypocritical. It considers everybody who is being killed in Vietnam.

Moratorium calls on you to engage in universal protest on May 8, 9 and 10. It is a tall order to ask you to forgo a day's employment on May 8, but you search your conscience, only there can you find an answer.

Don't be misled by biased authorities who condemn Moratorium as being communist-inspired or the work of half-baked sensationalist students. Moratorium is not a joke, it is a universal effort to restore some humanity to the world. You may also wonder what good a campaign like this is going to do. Well, if everybody goes about it the right way it will show our politicians that there is enormous public dissent against the war.

Now is the time for action before too many more atrocities are committed. Don't be guided by hypocrisy and staid institutionalism, react morally to Moratorium.

PETER TYRELL,

Moratorium Campaign.

Dear Sir,

Since the secretary of the Melb. Trades Hall Council, Mr. Stone has told the chairman of the Vietnam Moratorium Campaign Dr. J. Cairns, to 'keep his bib out of trade union affairs' the organisers of the Moratorium have started to look elsewhere to get the numbers on May 8.

Melbourne high and technical schools, state and independent, are to be the target area for the distribution of thousands of underground papers calling on students to "join the struggle" in the city streets in support of a particular viewpoint on Vietnam.

A typical example "Tabloid Underground", printed in Prahran, is obviously written by adults. The layout is of professional standard.

Having failed to cajole enough adults into losing a day's pay in support of their leftist Vietnam policy, the Moratorium Campaign committee is trying to persuade the kids to miss a day's schooling in support of the same dubious cause.

I remain yours faithfully,
JOHN BACON.

Altona Draw With League Leaders In Soccer

In a hard game at Kims Reserve, Altona City gave Dandenong a real going over and only sheer bad luck against Altona saw the visitors snatch a last minute equalizer to make it a 2-2 draw.

In the first half the Maroons kicked against a strong wind, but with good lead-up work by Kean and King they looked a good side.

Dandy is a big, powerful side and making full use of the wind they tested Copley and Ormerod to the full.

Karamatos, a greatly improved player for Altona, was combining well with Hynes and with Roberts looking more like his old self Dandy were at a loss as how to get around them.

At the other end Herman and Van Ypern had near misses and as play swung from end to end it was a really great game.

Dandy scored a great opening goal and this brought Altona's forwards to an all-out attack.

Hynes swung the ball out to Loughran, who passed on the run to Van Ypern and Smiller crashed home a goal to make the score level at 1-1.

Dandy swept back downfield and only a flying save by Roberts kept them at bay.

In the second half with the advantage of the wind Altona gave Dandy something to be going on with as Herman, Van Ypern, Loughran and Kean, backed up by Ackers, kept pushing the Altona on.

After several near misses Loughran headed home goal No. 2 for Altona. In another attack Kean hit the crossbar and two minutes later King scored what looked like a

good goal. However, the referee ruled it offside.

Loughran went off injured and Hano Delapany took his place.

With five minutes left to play Dandy got a freak goal from a miss-kick. It was hard luck for Altona who had to be content with 1 point from a 2-2 draw.

From a spectator's point of view it was a good game with all Altona players doing well.

Next week's game is against Elwood-Austria and Bill Savage is fit and rarin' to go.

Austria is doing well this season, so another hard game is in the offing.

In Saturday's Reserve game Altona drew 2-2 with Dandy.

Payne and Althein were best for Altona. Roy Mullen, although short of a gallop, put up a good show.

Altona's new clubrooms are nearing completion. A big day is being organised for the opening in May.

JUNIORS

UNDER 11

Altona played Sunshine Heights away last Sunday and they had to play hard to get away with a 1-1 draw.

With most of the play Altona tried all they know to break down Heights' defence in the first half, but it was Heights that broke away to score the first goal against the run of play.

In the second half Altona were around the Heights'

goal area for long periods till at last they managed to score the equaliser.

UNDER 13

This side, away to Werribee, also had to be content with a draw after being a goal down early in the game.

Playing well below their best Altona could do nothing right and only managed to score about 10 minutes before the end.

It was hard to pick any good players on this display.

UNDER 16

Altona Under 16's also had to be content with a draw, but what an exciting game it turned out to be against our old friends Sunshine City.

Two evenly matched teams fought out this game with all they had.

Sunshine scored first after some good play by their forwards, then Altona fought back to level the score when Nat Little scored a good goal.

Soon after Sunshine took the lead again only to see Altona come again with a great goal by A. Spencer, and at half-time the score was 2-2 each.

The second half was hectic as both teams tried hard to kick the winner. Halfway through the second half N. Little was put through only to be fouled in the penalty area and from the spot kick Little made it 3-2 to Altona.

In the last few minutes Sunshine managed to kick another goal to make it 3-3.

It was hard to pick best players as all players did well.

NEXT WEEK'S GAMES

Sunday

UNDER 11: Altona v. S.M. Hellas.

UNDER 13: Altona v. Sunshine Heights.

NEWPORT BASEBALLERS WIN ONE, LOSE TWO

Playing the top three Flemington teams, Newport Baseball Club could only manage one win in the second round of baseball last Saturday.

A TEAM

In a very tight game in which no-one scored for five innings, Newport suffered a lapse in the top of the sixth inning to allow Flemington to score 4 runs.

Newport then steadied and fought back but it was too late and they were beaten 5-2.

Safe hits: Minnett, Bunting, Yongg, Acton, Cleary, Merri-man.

Best: Bunting, Ockwell.

B TEAM

In a very hard-fought game at Flemington there was some steady fielding and outstanding batting, backed up by some good pitching by Terry Forrester.

Safe hits: S. Bunting 4 (inc. home run), B. Middlemass 2 (inc. home run), Forrester 2 home runs.

Best: S. Bunting, T. Forrester.

Newport won 19-9.

C TEAM

Playing old rivals, Flemington, Newport were able to avenge past defeats through team batting and controlled fielding to win 12-2.

Best: G. Murdoch, B. Es-more, R. Bunting.

JUNIORS

UNDER 13 lost to Airport West, 17-2.

UNDER 15 lost to Airport West, 7-6.

Saturday

UNDER 14: Altona v. Sunshine City.

UNDER 16: Altona v. West Newport.

UNDER 17 lost to Sunshine, 11-0.

The club would like to see some more boys for the Under 17. Practice is held at Digman Reserve at 9.30 a.m. every Sunday.

As next Saturday is Anzac Day there are no Junior or Senior matches. On Sunday at Newport Sports Oval the A Team will play Port Melbourne at 2 p.m.

WILLIAMSTOWN VRPU

Results of the race, flown from Springhurst, 135 miles, were as follows:

R. Koschel continued on his winning way with a velocity of 1,115 y.p.m.; second was J. and D. Anderson, 1,024 y.p.m.

The club would like to wish fellow member J. Hansby a speedy recovery after having had a major operation.

Next week the last of the young bird season will be flown from Culcairn, 180 miles. — BLACK PIED.

WILLIAMSTOWN LACROSSE CLUB ENTER TEN TEAMS

This year Williamstown has entered 10 teams in the Victorian Amateur Lacrosse Association competition and has a further six teams playing in a local competition.

Young players such as R. Jones or R. Veltmeyer who wear No. 132 and 130, respectively, on their guernseys (others wear up to 140) and play in the Under 14 Fearon team seem far removed from A Fearon players such as M. Orr who wears the club No. 1, A. Chiron 2, and No. 3 is worn by R. Cordell, senior captain of the club.

In less than a decade the Seniors will be coaches and the Juniors will have dropped digits, year by year, until they are wearing the low numbers.

"A" Fearons and Deacons had wins last Saturday and City, lacking a good spearhead, were unlucky in being defeated by Caulfield Green.

Next Saturday on the Fearon Reserve this defeat will be reversed when the Greens meet the Fearons "A" premiers for 1969.

"B" City had a comfortable win over Caulfield and under Coach M. Taylor looks as if it's in for a good season.

P. J. McLean, playing in his first game, scored two goals and was awarded 3 votes as Best and Fairest in the team.

Junior coaches, R. Tregear (Fearons) and F. Hogarth (City) have good youngsters and the Fearons by defeating Chadstone 31-0 show they mean to win a flag, whilst the City, mainly the 1969 Under 12 premiership team will develop and be ready for a further medal in 1971.

Results:

A GRADE Fearons defeated Surrey Park Whites, 23-12.

Goals: A. Roiley 7, R. Tregear 4, E. Toomey 3, R. Toomey 2, W. Rhodes 2, G. Reid 2, F. Stewart, R. Cordell, one hit in.

THESE WILL HELP

Since the Footscroy and District Hospital's new Children's Ward opened recently there has been an increase in the number of patients admitted.

Youngsters, particularly when ill, need much attention and a lot to distract them from their discomfort.

The Nursing Staff find that books and in particular comics, are just the thing.

Would any kind persons or youngsters who have some nice clean comics they have finished with, like to give some to the Footscroy and District Hospital? Magazines would also be very acceptable for other words.

These may be left at the Enquiry Desk addressed to the Public Relations Officer, Mr. Reg Womersley, or if not convenient to leave, please phone Mr. Womersley 317-0211 and ask him to collect.

SILVER SMITHING

Silver smithing will be demonstrated by Mr. Keith Henry of Geelong at the Western Suburbs Lapidary club's Social evening this Friday (April 24), in the club rooms, 47 Vernon Street, South Kingsville.

At the last general meeting Mrs. H. Watson of Kinglake (late Altona), donated 2 pieces of ribbon stone from Rankin Station in Northern Territory. These were won by Mrs. L. Spear of Newport, and second prize to Mr. Eric Rigg of East Keilor.

In March members were taken to three locations to search for colored quartz and crystals, by their hosts, Castlemaine Lapidary Club.

In April members using a new cradle sieve, had good finds of small sapphires at Morrisons near Ballan.

At the next general meeting at 8 p.m. on May 21, Mrs. Elizabeth Bennett of MacLeod will demonstrate enamelling on copper. New members are welcome.

HELP! HELP! HELP!

60 footballers in Altona City's 3 junior teams need help to field their teams.

ALTONA NOTCH THEIR SECOND WIN IN TOP GRADE HOCKEY

Altona once again confounded the experts when they downed Moorabbin 3-2, at home, to record their second win in two matches. This win was even more meritorious than the previous week as Altona had to come from behind to take the points.

Altona had a score on the board early through the agency of Ross Ford. Tremendously fast forward work saw Moorabbin under great pressure but always able to save. They finally got the ball away and scored two goals to take the lead.

Altona replied immediately through Shane Cronin. With time well into the second half Bob Verity saved a penalty flick with great anticipation.

An almost unbelievable series of passes broke the Moorabbin defence wide open and saw Richard Lukoczky run the ball into an open goal to give Altona the game.

In: Lukoczky; Out: Challis (injured).
Best: Baillie, Ford, Verity.

C North drew with Latrobe University, 3-all.
Altona played very well against Latrobe who were undefeated premiers in D Grade last season.

The sides were very closely matched and following the draw in this game both teams are looking forward to the return match in Round 11.

With a little more specialised training Altona could do better next time. A good goal was scored by Ian Bennett who played well to position.

Not to be outdone Harold Doerner slammed one home, followed by another from the penalty combination of I. Bennett, H. Doerner and K. Robertson.

Best: R. Byrne, K. Robertson, E. McCauley.
D North were defeated by Fairfield, 2-1.

Although suffering its second loss in two matches, Altona played much better and should have a win soon.

Teamwork is sadly lacking and this, unfortunately, cannot be developed on a Saturday afternoon only.

Altona had as many opportunities as Fairfield and as much of the play but could not make effective use of the ball.

Goal: R. Erickson.
Best: M. Krol, S. Jensen.

E Grade defeated Old Essendon, 7-0.

The Old Boys were given a bit of life by some young blood injected into the team. They had to play well just to prove they hadn't lost their touch, and Altona had a feast at the expense of Old Essendon.

Under 16 defeated Essendon, 2-1.

Altona got on top early and scored two goals. Steven Jensen scored from a rebound of his penalty corner shot and John Forrester calmly pushed a ball into the net from a scrimmage in the circle.

Altona came out confident after the interval with every intention of continuing in the same fashion. However, Essendon had other ideas and it was only fine goalkeeping by Allan Willett that kept the Dons down to one goal.

Best: A. Willett.
Under 14 defeated Essendon, 2-1.

Essendon started as if they were going to hit a cricket score with a goal in the first five minutes, and attacking continually. But the Altona backs stood firm.

Finally, the forwards got into the game and Francis Keeshan pushed in a nice goal.

SPOTSWOOD FOOTBALL CLUB

A GRADE

Playing home to North Footscray, Spotswood took a while to settle down in the first half, but gradually wore their opponents down to win the game quite comfortably.

Inaccuracy in front of goal proved costly as it would have been a percentage-booster if they kicked accurately.

Rover Zun kicked four goals and was very active.

Scores: Spotswood, 15-27-117; North Footscray, 5-9-39.

Goals: Zun 4, McAsey 2, Petherick 2, Murphy 2, Elliott 2, Chapman, Ham, Self.

The new players played a big part in their win.

Scores: Spotswood, 19-11-155; North Footscray, 4-4-28.

Goals: Christakakis 4, Carrick 6, Melhuish 3, Budgen 3, Beesey, Webster, Heriot.

UNDER 16

Before the match started Spotswood had their premiership flag unfurled by Mrs. W. Couch, wife of the club President.

After a slow start Spotswood settled down to play good football and at half-time had a handy lead of 40 points.

In the second Spotswood did not play as well as they should have, but were too experienced and ran out comfortable winners.

Robert Scott played a dominant game for Spotswood and was selected as Player of the Week by the Sporting Globe's representative.

Scores: Spotswood, 9-17-71; Braybrook, 5-9-39.

Goals: Scott 5, Bright 3, Watkins.

Best: Harley, Hester, Scott, Walker, Kerr, D. Rick, Couch, Rowell.

UNDER 14

Spotswood's overall strength and experience proved too much for North Altona and they had an easy win.

Scores: Spotswood, 11-17-83; North Altona, 3-7-25.

Goals: J. Cameron 3, Scott 2, Armstrong 2, Powley, Richards, Wratten, Prytherch.

Williamstown Baseball Club

All three Williamstown sides were victorious against Alphington in the last round of games.

The sides are starting to lose their pre-season rustiness now and are settling into play good baseball.

The games were not without big hits with 3 home runs — Bill Johns, Ernie Poole and Ray Cowmeadow.

FIRST IX

After allowing the opposition to get away to an early 2-run lead the side came back in the third dig to even the score, but Alphington drew away in the fourth to lead by two runs. But this was to be Alphington's only sight of the lead as the Williamstown side went on with aggressive baseball to take the game.

Safe hits: F. Bowyer 2, N. McLeod 2, G. Parnaby.

Best: F. Bowyer, N. Pedretti, N. McLeod.

Scores: Williamstown, 9, d. Alphington, 6.

SECOND IX

Alphington started off the game by scoring one run in their first dig, but with strong batting and base running the Williamstown side quickly took over the lead and continued to increase their lead to run out comfortable winners.

A feature of the game was a home run from B. Johns.

Best: B. Johns, R. Saker.

Scores: Williamstown, 12, d. Alphington, 2.

THIRD IX

The Thirds also had a victory over Alphington in their game. Two home runs were hit, one by Ernie Poole and the other by Ray Cowmeadow.

Bad fielding, which caused a lot of errors, contributed to the opposition scoring their runs. If the side is to keep winning games they must concentrate more on fielding.

Safe hits: E. Poole 2 (inc. home run), Ray Cowmeadow 2 (inc. home run), D. O'Connor 2, M. McMillan, R. Sinclair.

Best: E. Poole, D. O'Connor.

Scores: Williamstown, 11, d. Alphington, 8.

JUNIORS

UNDER 17 — This side was defeated 12-0 due mainly to bad fielding.

UNDER 15 — Town were defeated by one run in a very tense and exciting game.

Safe hits: G. Maruyevne, G. Maloney.

Best: K. Horsey, P. McCann.

Scores: Williamstown, 5, lost to Sunshine, 6.

UNDER 13 — Footscray defeated Town by 7 runs.

The "mighty midgets" of the club are showing great improvement and should win their first game very soon.

Scores: Williamstown, 5, lost to Footscray, 12.

FOUR ALTONA BOXERS SUCCESSFUL

Four boxers from the Altona Youth Club boxing team, having their second fight within a fortnight, gained honors when they fought in the Schoolboys' Championships at the North Melbourne Football Ground earlier this month.

Angelo Vassiliadis won his bout with a TKO decision in the finals of the Lightweight Division. He was outstanding in his fight against Graeme Sullivan (Langwarrin) with solid left and right hooks to the jaw in the first round. Sullivan was on the back move all the time.

The second round started the same way until Vassiliadis caught the Langwarrin boy with another solid left hook putting him down for the second time. The referee stepped in and stopped the fighting, giving the verdict to the Altona boy.

Steve Siperki, boxing in the Bantamweight Division, had a strong opponent in Barry Phippers (Daylesford) and both boys gave all they had.

Siperki chased his opponent from the first bell and won the first two rounds convincingly.

Phippers came out in the last round and tried to steal

the fight, but the Altona boy stuck with him and made it punch for punch until the bell.

Siperki was awarded the fight with an unanimous decision.

Bill Grannoulakis boxed like a veteran with copybook straight lefts and rights to outbox his opponent in Trevor Harnett (Geelong) to win a points verdict.

The only loser in the team and a boy who was unlucky not to get the decision was David Hibberd. He lost on a split decision to S. Power (Langwarrin).

All the boys are now back in training and looking forward to the next tournament, which will be held in the Assembly Hall, Altona North Technical School, Millers Road, on Friday, May 22, commencing at 8 p.m.

ALTONA CITY DEFEAT BROOKLYN EASILY

Playing Brooklyn, Altona City proved too good on the day and coasted to an easy win in what was a one-sided game.

FIRST QUARTER

Altona City, kicking with the wind, were quickly into attack but could only manage points.

Brooklyn were defending well but good play by Munro, Keen and Hogan brought up the first goals. Others by Chatfield and Molloy followed.

SECOND QUARTER

Although Brooklyn had been kept scoreless in the first quarter they opened the second with two quick goals in three minutes and Altona City looked ragged.

It was only good defensive work by Harris, Tisdale and D. Brennan that saved the home side from kicking more.

Good play by Campbell to Thompson to Flett resulted in a major — Altona City's first for the quarter. This seemed to lift Altona out of the slump and with good constructive play by Lawson and Egan from the centre it was all Altona.

THIRD QUARTER

The third quarter opened with Altona City going on their merry way with drive from the rucks (Schwabe, Wenlock and P. Brennan).

The ball was repeatedly sent goalwards, but like the first quarter points resulted.

DRAW FOR ROUND 2

Holy Trinity v. Williams-town Methodists.

Laverton v. Altona Methodists.

Westport v. Yarraville.

Altona Presbyterians v. Yarraville Combine.

The games are to be played on the ground of the first-named club.

Altona Presbyterians has the bye.

The forwards seemed to have left their kicking boots home. Finally, goals came from Schwabe, Munro, Chatfield and Hogan.

It was all Altona. Anything that went over the centre was sent back into attack by Zapart, Ifter and Hardham. Altona finished by kicking 6-10 for the quarter.

FINAL QUARTER

The last quarter opened with Altona City kicking into the wind and goaling soon after the start. That set the pattern for the rest of the quarters.

Goals from Schwabe, Chatfield, Hogan, Molloy, Wenlock and Brennan resulted.

Altona City, after a slump in the second quarter, lifted their game and again showed they are a force to be reckoned with for the finals.

Final scores: Altona City, 25-30-180; Brooklyn, 3-4-22.

Altona Win Hard Game In Lacrosse

Following the loss against Glenroy the previous week, Altona Lacrosse Club travelled out to Malvern on Saturday, even more determined to gain premiership points.

Unfortunately, Altona fell down although a definite improvement in their team was noticeable.

Malvern had to fight for every goal but their stronger passing and forward line technique prevailed over the tired Altona defence line.

Malvern succeeded in increasing their lead each quarter and at the final whistle led 13-5.

Goals: John Butkiewicz 2, Ralph Barrow, Russel Little, Frank De Kusel.

Umpires Votes: Ray Dickins 3, Ricky Benedierks 2, and Lee Marchant 1.

Newport Ladies Bowling Club

The bowling season is rapidly coming to an end. Last Wednesday was the last inter-club day for the Newport Ladies Club.

The winners were B. Smith (c.), V. Clark, A. Higham and W. Lowe. Runners-up: M. Dean (c.), D. Muir, M. Hay and R. Mullins, from Williamstown.

The lucky ticket was won by T. Pearman, also from Williamstown.

North State Little Athletes Hold Their Presentation Night

Andrew Gibson and Jill Gittins were awarded North State's Perpetual Trophies for the Best Boy and the Best Girl of the Club for the second successive year at the presentation night in the Williamstown Town Hall last Friday.

These awards are based on points scored over the season, and the Williamstown Centre President, Mr. John Wright, in presenting the trophies and attractive keepsake medallions, pointed out that Jill and Andrew had played a big part in winning for North State the Most Improved Club Trophy this season.

The President of North State, Mr. Bob Purves, in his address to members and their families, spoke of the great pride the club felt in being awarded this very handsome trophy and banner, and said that a lot of the credit is due to the Team Manager, Mr. Alan Gittins, at present on a business trip overseas. He added that the children's enthusiasm had ensured success.

Mr. Purves presented the President's Special Awards to members not in the running for other awards but, who, in his opinion, deserved special recognition.

This is the first time such awards have been given, and this year they went to Stephen Mulholland, Annamaree Jamieson and Kevin Innes.

Mr. Peter Gidman, of the BP Service Station, Mason Street, Newport, presented the handsome trophies which he had donated to the Best Performers at the Centre Championships in the Under 9 age group, and these were won by Louise Jamieson and Neale Knott.

Mr. Ray Cumming, Ground Manager for the Williamstown Centre, presented the trophies in this category to the Under 10 age group: Donna Whitmore and Martin McNamara.

Mr. Johnson, a teacher at the North Williamstown Primary School, represented the Headmaster, Mr. Nicholls, and said how pleased he was to be present as he had a great interest in the Little Athletics movement.

Mr. Johnson presented the four trophies, donated by Mr. Gus Hughes, of the Crown Hotel, Williamstown, to Jill Gittins and John Meertens from the Under 11 age group, and to Catherine McNamara and Adrian Sims from the Under 12 group.

Mr. Brook Tovey, of the Williamstown Athletic Club, addressed those present, and particularly the children who would be leaving Little Athletics this year, on the fine achievements of the Senior Club, and assured them of a warm welcome should they join.

He then presented trophies, donated by Mr. John Gibson, to the following boys who were the top point scorers in their age groups for the season: Under 9, Shane McNamara; Under 10, Martin McNamara; Under 11, John Meertens; and Under 12, Andrew Gibson.

Altona Littles Compete In Their First Cross Country Run

The Altona Executive Council for Little Athletics under the able direction of Mr. Alan Barling conducted the Altona Centre's first interclub cross country at Cobble-dicks Ford on Sunday.

Forty-six competitors contested the placings over a 900 metre course which provided some spills and some excellent performances in consideration of the rugged terrain.

All competitors thoroughly enjoyed the competition which was followed by a convivial barbeque.

Cross country competition will be conducted on an inter-club basis on the second Sunday in each month at Cobble-dicks Ford.

All clubs are requested to enter as many competitors as possible — it's great fun for all.

Results of the first cross country race:

GIRLS

UNDER 9. — 1, J. Rice (Westona); 2, K. Thompson (Altona North); 3, M. Drane (Altona).

UNDER 10. — 1, J. George (Westona); 2, A. Whiffin (Altona); 3, B. Barden (Seaholme).

Miss Val Antworth, of the Women's Athletic Club, similarly addressed those girls who would be moving on this year, and presented trophies, also donated by Mr. John Gibson to the girls who were the top point scorers: Under 9, Louise Jamieson; Under 10, Donna Whitmore; Under 11, Jill Gittins; and Under 12, Catherine McNamara.

Before a hearty supper was served to conclude the evening, the very capable M.C., Mr. Rod Silk, who is the official announcer for the Williamstown Centre, announced plans for a picnic to the You Yangs on Sunday, May 2, when members and families will meet in front of the North Williamstown School at 10 a.m.

There will be a meeting next Friday, April 24, at 7.45 p.m. in the Staff Room of the school to which all parents and friends are earnestly urged to attend.

CLUB SEEKS SPEEDWAY

An application by the T.Q. Speedcar Club of Melbourne to develop an area north of Cherry Lake as a speedcar track has been referred to the Board of Works by Altona Council.

The club told the Council it was unable to proceed with development of a 10-acre site at the Altona Sports Park because the Board of Works would not allow it to place a safety fence around the track.

Writing to Council, Mr. I. B. Bryant, club secretary, said "Firstly, the removing of the old grandstand caused a hold up. We had already spent quite a considerable amount of money in cutting a track and erecting a single wire cable fence, only to have them destroyed by the demolition people."

"The fence was removed, allowing anybody on to the track and this ruined the surface of the track. We were still interested in carrying on, but the fact of the Board of Works not allowing us to fence the property makes the sport dangerous to the public."

"We inspected an area north of Cherry Lake. I believe this is owned by the Board of Works. This area is quite suitable to our needs and we feel that we can develop the area into something that is quite beneficial to you people, and not just the eyesore that it is at the moment, overrun with box thorn, etc."

Centre For Clubs?

Mr. J. W. Waters, Town Clerk, will report to Council on the possibility of using an area in Linnet Street, Altona West, for a scout hall, camera club rooms and a children's playground.

Cr. W. L. J. Crofts told Council last week that the area had been set aside as a site for an ambulance station.

He said the site was now not needed by the Victorian Civil Ambulance Service, which would prefer a site in Altona North.

POINT COOK IS NEW W.S.F.L. GLAMOR SIDE

By WARDEN JAMES

RAAF Point Cook emerged as the new glamor side of the League after the second round of Western Suburban Football matches played last Saturday.

With big man strength all over the ground, Point Cook burst Laverton's "bubble" after only one week, in winning by nearly 10 goals.

Laverton, hailed as the big improvers after its thrashing over Brooklyn last week, were too complacent, and did not begin to "fire" until the last quarter when they added 5.3.

Brooklyn suffered its second big loss in two weeks when it went down by over 26 goals to Altona City, and it looks as if Brooklyn will be the "chopping block" for most sides this season.

Central Altona, down by five points at half time, went down narrowly by 12 points to Newport in a greatly improved effort on last week.

Brian Trevean, former Centrals coach, made a comeback on Saturday after announcing his retirement at the end of last season, and played well.

Newport's Bob Coleman was taken to hospital during the third quarter. However, he looked to have completely recovered after the match.

Centreman Andy Stewart, with two excellent goals—one from the centre of the ground—was Newport's outstanding player, while John Bester, with four goals in the first half, again was under notice.

South Kingsville demoralised Maidstone with a nine-goal third quarter burst after an even first half to run out comfortable winners.

Strong, pressure backline play by West Newport, keeping Werribee to 2.5 in the first quarter, and accurate kicking by full-forward Alan Chick (eight goals), were the factors behind West Newport's easy win.

Both Newport and Central Altona were short of players on Sunday in Under 18. However, Newport, with 15 men, combined well to kick seven goals in the first quarter for a commanding lead, and then the match was never in doubt.

Newport, unable to field a side at all in Under 16's last week, fielded only 16 men on Saturday but still proved too good for West Newport who had a full quota.

Devon Park, after a very fine opening win, came up against a stronger Williamstown side and went down narrowly.

As announced last week, Altona will field a second side in Under 18's so there will not be a bye in this section.

This side was to have played Laverton last Sunday, however, due to a misunderstanding the Laverton side failed to arrive. Depending on the circumstances of the case, the game is to be replayed at a later date.

CENTRAL ALTONA v. NEWPORT

Centrals, in a fighting display went down by a mere 7 points to Newport on Saturday.

Centrals still smarting from the defeat by Altona last week looked a far more determined and accomplished side and will be a force to be reckoned with this season.

In another great comeback, ex-Centrals coach and life member of the club, Brian Trevean took to the field for the first time in 18 months. His experience and encouragement proved invaluable to the younger members of the side on Saturday.

First Quarter

Centrals began well attacking into a strong breeze. Early goals were scored by Ron Smutney (2) and M. Kizan. Newport then got going and were in front at quarter-time.

Second Quarter

Attacking hard, Centrals made up the leeway. Newport also battled well against the wind scoring four goals. Several questionable goal umpiring decisions upset Centrals and at half-time they were five points down.

Third Quarter

In a magnificent quarter from Centrals, led from the backline by Jeff Robinson and Ted Jepson, Centrals held Newport to three goals. Watkins took a well-judged mark and goaled for Centrals.

Final Quarter

With 15 points to make up Centrals quickly went into attack and halfway through the quarter were only points behind. But the heat told on the players of both sides and Newport steadied and held Centrals out for the remainder of the game.

Scores: Newport, 14-11—95, defeated Central Altona, 12-16—88.

Stars for Newport were A. Stewart 2, J. Bester 4, B. Muschilli 2, R. Kite 1 and K. Withers. Others to score were R. Taylor 2, A. Hunt, M. Brody nad G. McNamara.

Determined players for Central Altona were K. Gilchrist, J. Lott 1, W. Ken-

A.N.T.S. Basketball

Playing in their usual manner the ants basketball team defeated Christ Church 44-27 on April 10.

Scores were 18-19 at half time but in the second half with a combination of fast unselfish play the Ants showed their supremacy to run out winners.

This week saw the Ants suffer their first defeat of the season at the hand of Try Boys. In a hard fast game Try Boys kept up the pressure and ran out winners by 7 points — 33-26.

Social Night Postponed

The usual social evening held by the Spastic Aid Committee at the Altona Youth Hall has had to be postponed from next Friday night because of unforeseen difficulties. It will now be held on Friday, May 1.

The Committee will be conducting a street stall in Pier Street on Saturday, May 2 to raise money for spastic children and adults. All donations will be gratefully received and can be left at the stall or at 9 Upton Street, Altona.

nedy, K. Collins, E. Jensen and N. Davies. Other goal-kickers were M. Kizan 5, R. Smutney 2, A. Evans 2 and J. Watkins.

UNDER 18

Altona A, 14-18—102, d. West Newport, 7-7—49.

Newport, 16-19—115, d. Central Altona, 4-9—33.

Laverton v. Altona B (match is to be replayed).

Outstanding players for Newport were Howard, Flavell, Pacifici, Duncan, Eyles and Hickey.

Battlers for Central Altona were L. Thwaites, I. Laffey, M. Ivory 1, A. Deans, N. Boicoms 1 and D. Rochman. R. McMahon and A. Vassiliadis also scored.

NEWPORT WEST v. ALTONA CITY A

After unfurling their 1969 pennant, Newport West held the ball repeatedly in their forward zone by long kicking with the breeze to kick 4-2 to Altona City's 1-4 for the quarter.

Able led by skipper Ron Gordon the A's stuck to their task and but for inaccurate kicking could have been closer at the first change, but credit must go to West Newport's backline for the pressure they applied.

Altona City played direct football in the second term using the breeze and good teamwork to score 9-3 to 1-0 for the term. This virtually won the game as the other three terms were closely contested.

It would be unfair to name some players as playing well without naming the rest as all did their job to their utmost when called upon.

Of course there is room for improvement but for the first competition game this year the boys did well.

Goals for West Newport: Van Dyke 3, Beer 3, Chatfield 2, Patton 2, Courtot 2, Howard 2.

UNDER 16

Williamstown, 10-19—79, d. Devon Park, 8-4—52.

Altona had bye.

Outstanding players for Newport were F. Callus 3, N. Potter 2, P. Considine, P. Starbuck and R. Lambden. P. Dunn 2 and G. Sarantis 2 also goaled.

ALTONA NORTH LITTLE ATHLETES' PRESENTATION NIGHT

Altona North Little Athletes proudly display the trophies and certificates awarded them at the club's annual presentation night last Saturday in St. Luke's Church Hall, Blackshaws Road. With the youngsters are several officials of the club.

Williamstown CYMS Football Club

FIRST EIGHTEEN

First Quarter
In very gusty conditions Town commenced slowly. The opposition were showing quite a deal of fight early and had a few chances to score. However, Town were far too strong and repulsed most attempts.

Scores: Williamstown, 7-5-47; North Essendon, 0-2-2.

Second Quarter
The team were completely on top now and, although kicking against the wind, they had little difficulty in scoring. Negative tactics by North Essendon helped players.

Scores: Williamstown, 16-10-106; North Essendon, 0-2-2.

Third Quarter
Town continued its complete domination of the game and once again kept the opposition scoreless. The ball was only twice over the half-back line.

Scores: Williamstown, 26-16-172; North Essendon, 0-2-2.

Final Quarter
Kicking 11 goals in the last quarter Town romped home easily, winning in every department.

Final scores: Williamstown, 37-21-243; North Essendon B, 0-3-3.

Best: Hynes, Zamykal, A. Hill, Moore, Borrodale.
Goals: Moore 10, Zamykal 6, Pacifici 5, Watson 4, Rosenzweig 3, D. Henry 2, Kenny 2, Zammit, Black, Borrodale, Hill, Nelson.

SECOND EIGHTEEN

First Quarter
Starting off with the wind, Town were gaining most of the play but were not using it to the fullest advantage. Inexperience by the players was partly the cause of this.

Scores: Williamstown, 3-1-19; Bentleigh A, 5-0-30.

Second Quarter
The players continued to play well but their bigger and stronger opponents were gaining the advantage. Town showed flashes of fine play during the term.

Scores: Williamstown, 5-2-

Williamstown Best: R. Bult, R. Nicholls, G. Smith, P. Bell, M. Elly.

Newport Best: K. Miller, A. Self, C. Harris, G. Seers, D. Johnson, R. Rowe.

This was the best quarter by Town. There was some excellent teamwork shown by players which augurs well for the future. Handball was used to great advantage.

Scores: Williamstown, 9-8-62; Bentleigh A, 15-4-94.

Final Quarter

All players battled on well but Bentleigh proved too strong on the day. However, the players showed glimpses of what is in store and improved greatly on the first match.

Best: R. Featherston, Croft, Stonehouse, Bunting, Tomasino, O'Loughlan.

South Thirds Beaten At "Windy Hill"

By BOB DUNN

South Thirds suffered an eight-point defeat at Essendon, after being five points in front into the last quarter.

The game was a crowd pleaser, with some very good football by both teams. Essendon kicked with the wind and went away to a three-goal lead, before Pasquill intercepted an Essendon pass and goaled.

South came back into the game in the second quarter, with goals by Kurth, Cooper and Doherty, Lees and Grima. South rucks were winning well, and clever scouting by Davis, Pasquill and Doherty brought South to within 9 points of Essendon at half time.

Determined play by back men Stibbards and Hocking, ably supported by Brown and Lees, kept South within striking distance of Essendon at the last change.

Goals by Grima, Lees and Doherty put South 5 points in front well into the last quarter. However, Essendon retaliated and won a hard fought game by 8 points. This was a creditable performance by the South Melbourne team, to go down so narrowly against the top team at Windy Hill, in blustery conditions.

Scores: Essendon, 13.13 91 points; South Melbourne, 12.11 83 points.

Goal kickers: Kurth 3, Doherty 3, Lees 2, Grima 2, Cooper and Pasquill 1 each.

Best: N. Stibbard, Hocking, Lees, Brown, Davis and Cooper.

Amusement Park For Altona?

Altona Council has called for more information on a proposal to establish an amusement park somewhere in the city.

In a letter to Council on Tuesday a spokesman for Sullivan Amusements Co. Ltd., Lancashire, England, said he visited Altona Beach recently looking for possible sites for an amusement park.

The spokesman asked if the Council would be interested in the proposal, and if so, what sites it would be prepared to let, and the anticipated rental.

Cr. P. J. Lynch moved that Council ask for more information about the company's proposals.

"Ask them to fill us in on what they have to offer," he said.
